Re: Water Right No. S2-28676

Dear Mr. Lampky:

In response to your request, you are hereby granted an extension to complete construction for the reasons below:

- Due diligence is shown in development. Construction of the water system is almost complete. You plan to submit building plans to Thurston County this year.
- Completion of construction was delayed due to financial issues. Additional time is needed to install a meter and construct a home.

Please note that you may file your *Construction Notice* when the water system is completed and a meter has been installed on the diversion. The new deadline to submit your *Construction Notice* is **6-1-2014**.
